## Rockdale County Illegal Dumping / Environmental Concern Form

This Illegal Dumping / Environmental Concern Form should be used by citizens to notify the Rockdale County Stormwater Utility of environmental concerns within the County. Environmental issues may include illegal dumping or release of sewage, trash, dirt, swimming pool drains, yard debris, construction / demolition waste, chemicals, oil, or anything else other than stormwater into a storm drain, drainage ditch, water body, or other area that may impact water quality or the environment in the County. Forms may be returned via e-mail, fax, or mail to the Stormwater Utility at the above listed contacts. *A representative from the Stormwater Utility will contact you in a timely manner based on the severity of the issue.*

**Note:** The following contact information is requested but not required. If you wish to report anonymously, please skip Section #1 and continue to Section #2. Please note that all information provided to the County is subject to the Georgia Open Records Act and considered public record. However, if you would like to be contacted or receive an update about this issue, you must provide your contact information.
