

Addendum No. 1

ITB No. 16-25: SOLID WASTE COLLECTION, DISPOSAL AND RECYCLING TRANSPORTATION FOR THE ROCKDALE COUNTY RECYCLING CENTER

June 29, 2016

ITB #16-25 is hereby amended as follows:

1. Below are questions received and corresponding answers:

- A. Question: I'd like to know specifically all revenues and expenses related to the current program: How much is charged per ton or per pull for each container\material listed on page 10?
Ex: How much is Rockdale charged for hauling the glass to Strategic?
Ex: How much is Rockdale paid for metal recyclables currently?

Answer: There are no revenues on the disposal and the glass revenue is issued directly to the County. The revenue portion is not part of this bid. Metal hauling and revenue is not part of this bid. This bid is for hauling only and not recycling of commodities. We currently pay \$50 per haul and \$47 per ton for all items on page 10 except glass. We pay \$210 per haul for glass.

- B. Question: What vendor handles each commodity currently?

Answer: Pratt Industries has the current contract.

- C. Question: How does the county handle tires at the recycling center? If tires are accepted.

Answer: Tires are not part of this bid and handled separately.

- D. Question: Page 12 refers to an annual report provided by the vendor - can you provide that report?

Answer: This is a new requirement and there is no report. The awarded vendor will be responsible for preparation of the report including the required items.
