

## **Addendum No. 2**

### **ITB No. 16-34 Johnson Park Renovations**

**October 18, 2016**

**ITB #16-34** is hereby amended as follows:

1. Below are questions received and corresponding answers:

- A. Question: Your scope of work states: Install epoxy flooring and one color TBD everywhere except the aerobics room. The term "epoxy flooring" can mean anything from one coat of epoxy paint to a ¼" thick coating system. By far the most popular system used in Georgia Parks has been Key Quartz B-125 – a 1/8" double broadcast decorative quartz system.

Would you please elaborate on what type of epoxy flooring you would like to have?

Answer: The type of epoxy would be the Quartz Color Granules™ Application ¼" thick coating system. The color will be determined after contract award.

- B. Question: The drawings are hard to read and distorted. Is it possible to send them to me or direct me where I can view them?

Answer: The plans are very old and do not duplicate clearly; therefore, the plans can be viewed M – F, 9:00 a.m. – 3:00 p.m. at the Purchasing Office located in the Administration Building, 958 Milstead Avenue, Conyers, GA 30012. Please visit the receptionist desk first. These plans will also be available to view at the mandatory pre-bid conference on Tuesday, Nov. 1, 2016 at 9:00 a.m. at Johnson Park. *Note: The Purchasing Office does not have the ability to make copies of these plans.*

2. All other conditions remain in full force and effect.
