## MEMORANDUM

**TO:** Area Business Owners/Operators/Managers  
**FROM:** City of Conyers, Department of Public Works & Transportation  
**DATE:** September 20, 2016  
**RE:** **Notice of Pending Roadwork on Millers Chapel Road**

The City of Conyers has contracted with Pittman Construction Company to complete improvements to Millers Chapel Road. Improvements will include the installation of curb/gutter, storm drain, and complete pavement rehabilitation. In an effort to reduce construction time and minimize inconvenience, Millers Chapel Road will be closed, as highlighted below, for a period not to exceed 60 calendar days. Currently, the Contractor has scheduled the closure to begin October 1. Two driveways on Millers Chapel Road will remain open during construction; the northern-most driveway to Publix/Target and the southern-most driveway to Jim-N-Nicks BBQ. However, the section of Millers Chapel Road between these two driveways will be closed to thru traffic. Appropriate traffic control signage and message boards will be displayed during construction to alert motorists of the roadwork. If you have any questions or concerns during this period, please feel free to contact Brian Frix, P.E., Deputy Director of Public Works & Transportation at 770-785-3704. We appreciate your patience and cooperation as we complete this important project.
